Surface-Mounted ECO Globe Round Downlights

LMR-SGRECO-50W

Overview

The Surface-Mounted ECO Globe Round Downlights by Lemar offer a practical and stylish lighting solution for modern interior applications where recessed installation is not feasible. Designed with a distinctive globe diffuser, these fixtures provide soft, uniform illumination with excellent light distribution and minimal glare. Available in both round forms, the ECO Globe series combines contemporary aesthetics with functional performance, allowing seamless integration into a variety of architectural styles. The surface-mounted design ensures easy installation while maintaining a clean and elegant ceiling appearance.
